MEMORANDUM FOR: Chief, Technical Services & Support Group, NPIC
Chief, Planning, Programming & Budgeting Staff, NPIC
Chief, Imagery Exploitation Group, NPIC
Chief, Production Services Group, NPIC

SUBJECT : Preliminary Briefing on a Proposed R&D Program

1. RED/TSSG is proposing to initiate an R&D program for automating the interactive process between the photo interpreter and his supporting elements. The equipment being proposed for FY-70 development is: (1) Interactive Display System and, (2) Layout Display System. These two systems affect collateral graphics, production of report graphics, editing, and FI identification aids.

2. RED has prepared a preliminary briefing to explain the concept of these two systems and to invite comments from appropriate personnel. This briefing will be presented in the RED conference Room (58 453) at 1000 on 26 November. It is requested that you and/or your representative(s) participate in this briefing. A subsequent briefing to the Executive Director will be presented in the near future.
